PROFESSIONAL SUMMARY

A dedicated Computer Science student with a strong technical foundation in AI, IoT, and Software Development. Proven track record in competitive programming environments (Hackathons) and hands-on experience through intensive internships in the health and technology sectors. Committed to leveraging analytical and programming skills to deliver innovative tech solutions.

EDUCATION

- **Bachelor of Computer Science**
 - Shaqra University
-

PROFESSIONAL EXPERIENCE (INTERNSHIPS)

- **Technical Intern (Full-time)** | Jawara Company
 - Duration: 2 Months.
 - **Technical Intern** | Second Health Cluster - King Fahad Medical City (KFMC)
 - Duration: 2 Months.
-

PROJECTS & COMPETITIONS

- **Hackathons Participant:** Competed in multiple hackathons, collaborating in teams to build innovative prototypes and solve complex technical challenges.
 - **Smart Electrical Leakage Detection Device:** Graduation Project focused on developing an IoT-based device for detecting electrical leaks in homes and factories.
 - **E-Store Mobile App:** Developed a Flutter-based mobile application integrated with a .NET Core API, featuring user authentication and product management.
-

TECHNICAL CERTIFICATIONS

- **Artificial Intelligence & Data Science:**
 - AI Fundamentals with IBM-CISCO SkillsBuild.
 - Exploratory Data Analysis for Machine Learning - Coursera.
 - **Programming & Web Development:**
 - Python Essentials 1 & PCAP (Programming Essentials in Python) - CISCO.
 - Apple App Development using Swift.
 - React 101, React 102, and Django 103 - Satr Platform.
 - **IoT & Cloud Computing:**
 - Introduction to IoT - CISCO.
 - IoT Wireless & Cloud Computing Emerging Technologies - CISCO.
 - IoT Workshop - Google Developer Student Clubs (GDSC).
-

VOLUNTEERING & LEADERSHIP

- **Quality Team Member** | Google Developer Student Clubs (GDSC) at Shaqra University.
 - **Volunteer** | National Volunteer Portal
 - Completed **92+ volunteer hours** in social and technical fields.
 - **Advanced Professional Leader Certificate** | Al-Fozan Academy.
-

SKILLS & LANGUAGES

- **Languages:**
 - **Arabic:** Native (100%).
 - **English:** Advanced (90%).
 - **French:** Beginner.
- **Technical Skills:** Cybersecurity Awareness , Emotional Intelligence, Flutter, .NET Core.
- **Hobbies:** Drawing, Photography, and Language Learning.
